

# Installing SEO Ultimate+

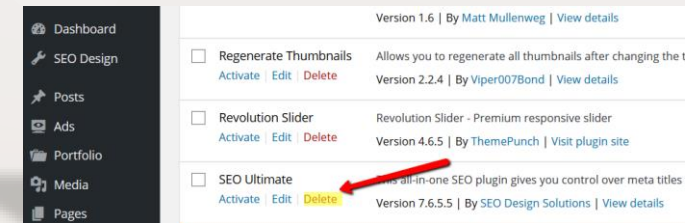

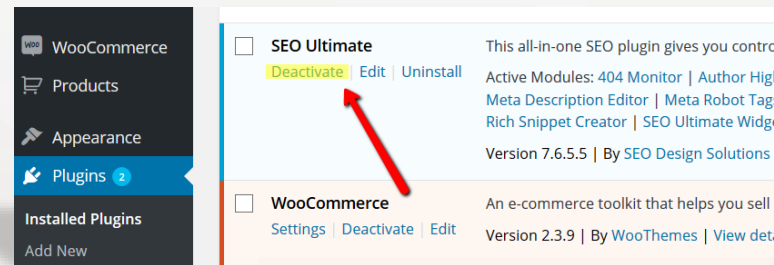

**Step-by-step WordPress installation.**

# Remove Current SEO Ultimate Plugin

## 1. Go to Wordpress >>Plugins

## 2. Deactivate & Delete SEO Ultimate (Don't worry, your settings will remain intact)

# Add and Upload SEO Ultimate+

3. Go to: Plugins >> Add New >> Upload Plugin

The image contains two screenshots of the WordPress dashboard. The left screenshot shows the 'Plugins' page with a red arrow pointing to the 'Add New' button. Below the button is a message: 'The selected plugins have been deleted.' The right screenshot shows the 'Add Plugins' page with a red arrow pointing to the 'Upload Plugin' button. Below the button are tabs for 'Featured', 'Popular', 'Recommended', and 'Favorites'. At the bottom of the right screenshot, there is a text snippet: 'Plugins extend and expand the functionality of WordPress. You may automatically install'.

Install Now

# Verify Successful Installation

5. If successful, this notification will appear in the admin dashboard, then click the "[Click here](#)" link to enter license key

The screenshot displays the WordPress admin dashboard. On the left is a dark sidebar menu with options: Dashboard, Home, Updates (2), SEO Design, Posts, Ads, Portfolio, Media, Pages, Comments, WooCommerce, Products, and Appearance. The main content area is titled "Dashboard" and features a notification bar at the top: "The **SEO Ultimate Plus API License Key** has not been activated, so the plugin is inactive! [Click here](#) to activate the license key and the plugin." A red arrow points to the "Click here" link. Below the notification are three widget areas: "Learn How to Use SEO Ultimate" with a video training advertisement for "Super-Charge Your SEO!", "Quick Draft" with a form for creating a new draft, and "WordPress News" with a recent update notice for WordPress 4.2.2.

# Activate License Key

6. Check email >> Enter API License Key and API License Email in fields provided and click Save Changes and that's it.

The screenshot shows the 'SEO Ultimate Plus API License' settings page. On the left is a dark sidebar with navigation items: Dashboard, SEO Design, Posts, Ads, Portfolio, Media, Pages, Comments, WooCommerce, and Products. The main content area has a title 'SEO Ultimate Plus API License' and two tabs: 'License Activation' (active) and 'License Deactivation'. Below the tabs is a section titled 'API License Activation'. It displays 'API License Key Status' as 'Deactivated'. There are two input fields: 'API License Key' and 'API License email', both with red arrows pointing to them and a yellow warning triangle to the right of each. A blue 'Save Changes' button is at the bottom left of the form area.
